

2010 BIKE RENTAL AGREEMENT

as displayed in WWW.KALERO.COM

This agreement is an integral part of the 2010 Membership Application

The Calgary Bicycle Track League (CBTL) agrees to permit the non-exclusive use of a rental track bike during all CBTL scheduled events for one season, including training and racing sessions. The Calgary Bicycle Track League will, adjust, maintain and make minor repairs that may be necessary due to normal wear and tear.

1) I, the undersigned, agree that I am responsible for the rental Track Bike. I agree to keep the bike in good condition and treat it with care. I understand that I am ultimately liable for any costs arising from repairs that the CBTL judges to be beyond the scope of normal wear and tear, such as misuse, negligence, abuse or purposeful damage, regardless of cause, that occur during my use of the bicycle.

2) I, the undersigned, understand that a bike will be available to me for all CBTL scheduled events for the entire season. However, this bike remains the property of CBTL, and CBTL may substitute another bike at any time. The Calgary Bicycle Track League reserves the right (i) to refuse bike rental to any rider by refusing their Rental Fee, and (ii) to recall any unused rented bikes, after contacting the renter. I acknowledge that signing this agreement is a necessary condition of renting a Track Bike from the CBTL.

3) I, the undersigned, agree to not remove, modify or trade parts on any rental bikes, with the exception of pedals. I am allowed to install a bicycle computer, at my own risk. If I wish to substitute cogs or chainrings, I will consult with the Track Manager. I understand that the CBTL is not responsible for any loss or damage to any personal property that is installed on a rental bike. If the rented bike is not returned in the exact condition, with the same componentry, as it was rented, I am responsible for the replacement of parts and the mechanic's time (labour) to restore the bike to its original condition.

4) I, the undersigned, agree to inform the Track Manager immediately of any condition in which, in my opinion, the rental bike may be considered as damaged, unsafe or unusable. I agree that it is my responsibility to conduct an immediate inspection of the bike prior to use, and to inform the Track Manager of any damage or missing parts.

5) I, the undersigned, agree to not remove any bikes from the

Glenmore Velodrome. I acknowledge that I am permitted to take my assigned rental bike to races, competitions or activities held at other facilities provided that (i) I obtain written permission from the Track Manager or a member of the CBTL Executive; (ii) I return the bike to the Glenmore Velodrome as soon as possible.
