

**Did you borrow a pair of these from one of the bikes in the trailer? If so, please report it to [racing@cbtl.ca](mailto:racing@cbtl.ca) and I'll tell you where to bring them. Or, if you think you might know who borrowed them, please let me know and I'll follow up with that person.**

**They belong to a member. Borrowing them for an evening is bad enough, but not returning them is completely unacceptable.**
